SINGAPORE SAIL GRAND PRIX  
JANUARY 14/15, 2023

## BRING YOUR OWN BOAT PROGRAM

### ARE YOU PLANNING TO WATCH SAILGP FROM YOUR OWN BOAT?

Make sure you register your boat to get the best vantage spot.

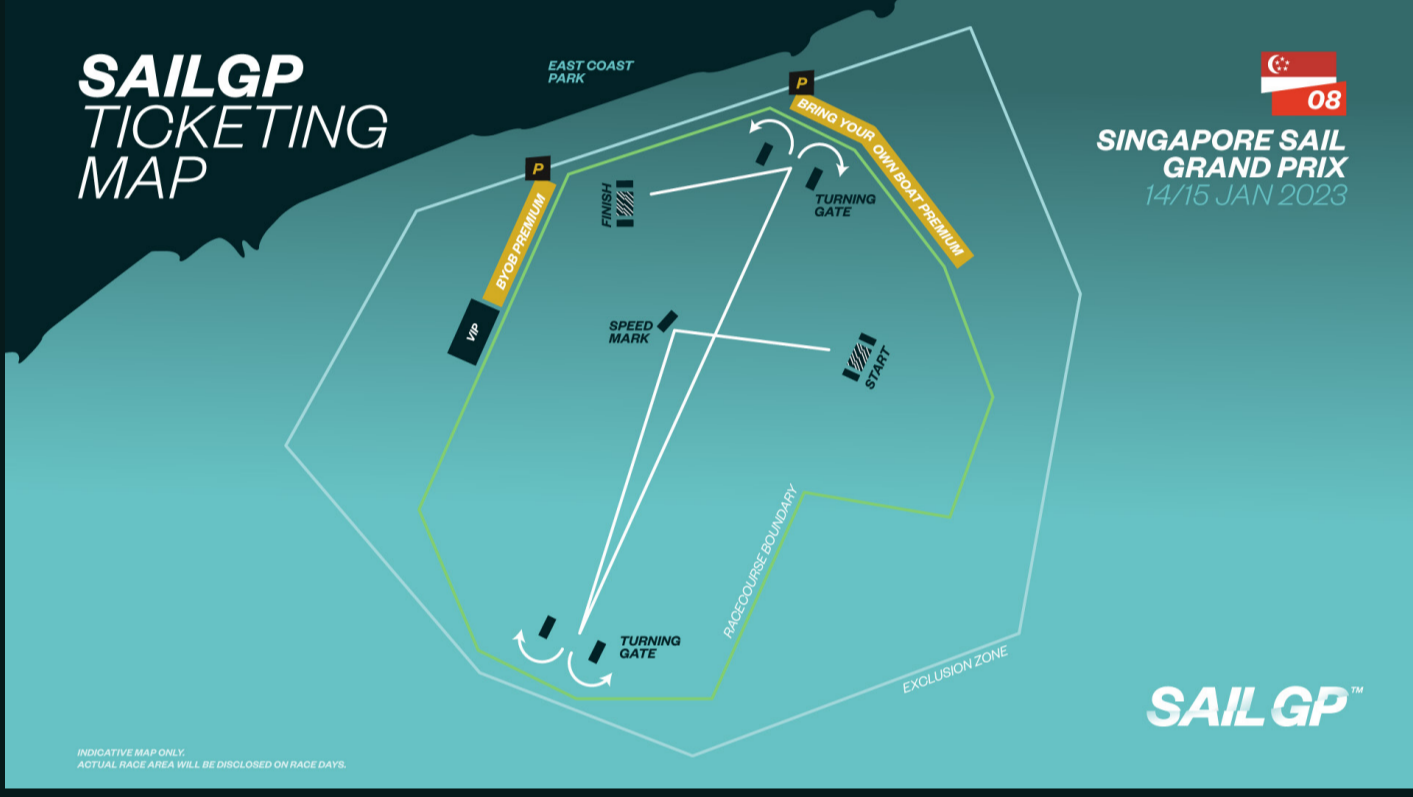

### BRING YOUR OWN BOAT

Do you want to witness the supercharged F50 catamarans up close? Please secure a flag to ensure you get the best vantage spot on the racecourse perimeter. Purchasing a SailGP flag will get you the closest view of the action from your own boat.

#### This package includes:

- Exclusive access on both days of racing.
- Preferred positioning in the front row, inside the exclusion zone and/or next to a turning mark.
- Souvenir flag to fly on your boat.
- We'll offset your carbon footprint for each race day.

Boats without a flag will be held at least 200m behind the flag-bearing boats.
